

The Stanton (7-3-842)

TRADITIONAL

Big country in style, modest in size, this family home features a picturesque exterior and a modern, open interior. Pillars frame the covered front verandah and the entry, creating an impressive entrance.

TRADITIONAL: This home package includes design, construction plans, and all the materials required to build the structure of this home to the lock-up stage. Materials include export-grade framing lumber, an engineered wood truss system, low-maintenance siding and energy-efficient windows. This design features the use of conventional construction methods. It can be modified to suit individual site conditions.
